## Maintenance Technician

### Description

LandServ, Inc. is a full-service landscaping company located in State College, PA. We specialize in the design and construction of residential hardscape projects as well as the continued maintenance of these properties including mowing, mulching, spring/fall cleanup and snow removal. We are seeking talented and hard-working individuals to join our maintenance team for the 2023 season. Our growing company offers a benefits package, competitive wages, and a room to grow within the company based upon performance.

### Responsibilities

- Job duties include general landscape labor for residential/commercial maintenance and installation projects. Job responsibilities include but are not limited to: planting trees and shrubs, weeding, mowing, mulching, digging, fertilizing, excavating, tilling, pruning, grading, raking, laying sod, and operating small equipment.
- It is an expectation to maintain a professional image to our clients, visitors, and coworkers and to dress in a manner consistent with safety policies.
- Hours are typically 40-50 hours/week with some weekends.

### Qualifications

- Strong work ethic
- A valid Pennsylvania's driver's license and reliable daily transportation
- Communicate effectively and respectfully
- Reliable communication device to maintain adequate correspondence with crew leaders and team members
- Ability to lift 50 pounds, bend, stoop, and perform other physically demanding tasks
- Capable of working well in a team-focused environment
- At least 18 years of age

### Job Benefits

- Competitive Pay
- Medical Insurance
- Simple IRA
- Paid Time Off
- Holiday Pay
- LandServ Apparel
- Boot Stipend
- Opportunities for Advancement and Skill Development
